TURKEY OR HAM FEAST WARMING INSTRUCTIONS

These items may be warmed in a conventional oven or microwave oven. If using a conventional oven, transfer items to oven safe dishes. If using microwave oven, remove lids before warming and cover with wax paper or paper towel. For best results, we recommend warming your meat and smashed potatoes in a conventional oven. Please note that all of the times and temperatures stated are only approximate and will vary with quantity and equipment. Heat all items to an internal temperature of 165°F. Heating instructions are for a full feast. If not eating immediately after pick up, keep refrigerated until ready to heat.
